About the Project

Discovering and supporting emerging artists.

- spaceD9 presents the “Art Discovery Project,” an ongoing program designed to discover and support emerging individual artists through curated exhibitions and public showcases.
- The first project of 2026 is a Special Exhibition at the Busan K-Illustration Fair under the theme “Primal Curiosity,” inviting works that reflect a raw and original sense of wonder.
- Across painting, drawing, printmaking, photography, illustration, handmade works and flat installation, the exhibition celebrates pure, original creations by individual artists.
